

#### **SUNSTATE SPONSORS STUDENTS AT THE 2011 JUNIOR STYLE STARS COMPETITION**

Sunstate Academy is proud to announce that they will be sponsoring five current students for the 2011 Junior Style Stars Competition. The top 10 finalists and the grand prize winner of \$50,000 cash will be announced in April of 2011.

Junior Style Stars is for the enhancement of careers in the cosmetology field through providing the platform for the future hairstylist to develop their artistic skills. Unlike other competitions, Junior Style Stars allows all students, regardless of location, to compete on a completely level playing field.

Each competitor competes on the identical mannequin and receives the same photography. All work must be done at the competitor's beauty school under strict instructor supervision. Judging is done via the Internet, and there are safeguards in place to insure total honesty.

For this competition, all entries will be judged on a bridal theme. The hair can be done up or left down and must have some form of color (tint, highlights, etc.). Mannequin makeup is suggested. However, hair pieces and extensions are not acceptable.

For more information about the competition, please visit the Junior Style Stars website ([www.juniorstylestars.com](http://www.juniorstylestars.com)).

Sunstate Academy wishes Lisa DeVany, Lindsay Johnson, Katuri McCoy, Nick Testa, and Shelby Wilson the best of luck!
