From: Sunstate Academy
Re: COVID-19 (Coronavirus) Update

As communicated previously, Sunstate Academy is closely monitoring the guidance from the CDC and other agencies and we are making adjustments as quickly as possible. The safety, health, and wellness of our students and community is our top priority.

Sunstate Academy is a private Institution of Higher Learning. Until such time as the Governor of Florida or the President of the United States informs Sunstate Academy that it must “lockdown,” we have elected to remain open to those students that wish to continue their training.” Should you choose to take a hiatus from your education, you are welcome to request a Leave of Absence from Jamie Murphy at jmurphy@sunstate.edu. She will be more than happy to process and approve your request in an expeditious fashion. This option was provided to you, via e-mail, on Tuesday, March 17th at 5:00 PM. It can be permanently accessed at: <https://www.sunstate.edu/announcement/>

For those students who want to continue with a residential training program, we are following Governor DeSantis’ recommendations to limit groups to ten (10) or less people, Sunstate Academy will separate students into groups of ten (10) or less while on campus. The sections of campus are defined as listed below:

- Each Classroom
- Salon Floor Zones
- Administrative Office
- Faculty Office
- Student Break Room

We appreciate your consideration in helping to keep our campus safe. Please reach out to us with any questions you may have. Campus personnel, including the student body, will consistently self-police to make certain that we adhere to the directives given by the Governor’s Office. In addition, campus leadership will conduct regular campus inspections in an effort to comply.
