Re: State of Florida “Stay at Home” Order

After reviewing the State of Florida Stay at Home Order that goes into effect Friday, April 3, 2020, Sunstate Academy has made the decision to temporarily suspend all residential classes effective immediately. All students will be able to continue their education at Sunstate Academy by attending Temporary Distance Learning.

Students attending Sunstate Academy have the following options for continued training:

1. Attend Distance Learning Classes
  2. Request a Leave of Absence until they are able to attend via Distance Learning.
- Obviously, we urge you to consider option (1) so that your life’s goals are not delayed.

In closing, we would like to recognize our dedicated academic teams for their dedication to find a way for Sunstate Academy students to progress in their chosen career field and not delay their dreams. Their commitment to YOU, the Sunstate Academy student, has never been more evident than by accomplishing this monumental feat. Even in these uncertain times, you can rest assured that your academic team is here to assist you in navigating the temporary distance learning platforms.

We will see you (virtually) soon!
